NEPAL, KATHMANDU, BASUNDHARA

Namaste! I'm Dipak, a UI/UX Designer. I have hands-on experience working on real projects. I can take ownership of projects, work independently, and handle responsibilities with confidence. I have experience with design systems, components, Auto Layout. My design approach is flexible - I can create clean, minimal interfaces or explore bold and creative concepts, depending on the project's goals, while always keeping user needs and business objectives in mind.

EXPERIENCE

SRIYOG

MAY 2025 - JUNE 2025

UI/UX Designer Intern

- Led a project with 2 developers and 1 designer.
- Designed an Intern Management Dashboard.
- Participated in team meetings, feedback, and brainstorming.
- Designed the GardenSewa e-commerce website.

PROJECTS

Codynn Website Redesign | UX Research & UI Design

- Reduced the homepage drop-off rate through UX improvements.
- Provided clearer guidance for new users.
- Applied progressive disclosure to simplify the user experience.

iRevise Web Application | UI/UX & Graphic Design

- Improved navigation to make the platform easier to use.
- Designed a distraction-free experience to help users focus on exam preparation
- Designed interactive prototypes and micro-animations.
